The military ball on Monday evening was not as much a success in point of attendance as could have been desired. The numerous dances which are advertised, the fire-meeting, the rain, and the play at the opera house, all tended to detract from the occasion. The drill by Co. K and the Third Regiment Band was much more of an exhibition than was expected, and the members can feel proud of their proficiency in the tactics. Those who attended were well repaid for their visit.

Lawyer Hubbard, of St. Paul, visited Brainerd on Tuesday.

Mrs. E. A. Frizzell is in Eau Claire, Wis., where she was called by the sudden death of her sister.

G. S. Fernald, tax commissioner of the Northern Pacific system, is in the city this morning on his way to the coast.

Sheriff Spalding, accompanied Mrs. Goldstrand, of Southeast Brainerd, to the insane asylum at St. Peter on Thursday.

Geo. Watts has decided to remain in Brainerd, his intended removal to Tacoma having been abandoned for the present.

The annual election of officers of the Brainerd Fire Department, on Monday evening resulted as follows: Chief, D. McIntosh; First Assistant, Ed. Breheny; Second Assistant, Chas. C. Williams; Secretary, C. D. Johnson; Treasurer, N. McFadden.

"Paul Kaurar" drew out a large and enthusiastic audience at the opera house last night and those in attendance are loud in their praise of the troupe. Joseph Haworth and Miss Lizzie Kechelle, as the leading characters, are certainly fine actors, while the support was not lacking in any particular. It was by all odds the best entertainment that has visited Brainerd in many months.

The B. of L. F. ball last evening at the Armory was as every one expected, the event of the season. The spacious rink was crowded and every available inch of dancing space was occupied while the galleries groaned with the weight of spectators. The room was finely decorated with evergreens and emblems of the order and many compliments were paid to the artistic taste displayed. There was not a jar of any kind, the music was excellent, the calling was distinct, and everyone seemed bent on having a good time. The attendance was probably the largest at any party in the history of the city.

The appropriation of \$1,000 by the city council, to help entertain the state firemen at their annual convention which meets in this city in June, should, and as far as we know, does meet with the hearty approval of the citizens. The Brainerd department is one of the many unpaid fire organizations in the state, and it has the reputation of being one of the most efficient—probably as much so as though the members were on a monthly pay roll. Taking these things into consideration there should be some encouragement to the members who endanger their lives and run their clothes to save public property from the fire fiend, and the members of the council took those things into consideration when they made the appropriation.

Mrs. C. F. Miller returned on Thursday from Hawley where she was called some days ago on account of illness in the family of her son, Mr. B. E. Kroll, and two of the children died during the time she was there. The Hawley News says:

Henry Kroll, aged 10 years, died yesterday, after several weeks' sickness. He was the eldest son of Mr. B. E. Kroll, proprietor of the City Flour mill. Scarcely two weeks have elapsed since the death of Mr. Kroll's 5-year-old daughter, Emma, and the family are greatly afflicted, as well as all of the neighbors who were acquainted with this promising little boy who has passed away. But a few days ago he seemed to be getting better, but was suddenly taken worse when Dr. Carson, the attending physician, was again called in, but all efforts to save his life were of no avail. The grief-stricken family have the sympathy of the entire community.

The examination of J. E. Johnson, a police officer, on charge of having robbed Ami Gould of \$15, took place on Tuesday morning before Judge Fleming. It seems Mr. Gould came to town from his ranch and went on a spree and on Saturday night he was run into the lock-up by Mr. Johnson. As is usually the case the prisoner was searched by the officer and Mr. Gould claims that that was the time when the policeman robbed him. Two or three of the inmates of the city jail testified that Mr. Gould claimed to them he had been robbed shortly after Mr. Johnson left, and also that they heard something gingle that sounded like money when the plaintiff was being searched. After the evidence was in and the case summoned up by J. N. True for the defense and County Attorney Lum for the prosecution, the Judge stated that Mr. Johnson would be held to the grand jury in the sum of \$200 on his own bond. Later on the Mayor laid Johnson off from the police force.

The Regular Shoot.

Interest in trap shooting in Brainerd does not seem to have abated any since the club suspended operations last fall for the winter. On Tuesday there were nineteen members of the club present at the club grounds to participate in the regular weekly shoot, the score standing as follows:

ISABELLA BRADY 35 years old and owner of an independent fortune, is determined to marry Thomas Miskell, a Harlem musician, and is suing him in a New York court for breach of promise. She says she has spent money to secure his pardon as a deserter from the British army, \$2,000 to furnish a house and \$17 for a wedding ring. Miskell says she has done all the wooing and he has never said yes.

In New York a life insurance company has lent \$120,000 to a church, and the church has had the lives of a number of its members insured in favor of itself. The life insurance company has agreed, every time one of the members who is thus insured dies, to reduce the debt of the church by the amount of his policy. Every time the church has a funeral of one of these it tops off a slice of debt; in other words members and debt disappear together.

Is excavating for a building in Oregon City the shovelers came across numerous old flints that had been kept by the Hudson Bay Company in the earliest history of Oregon for replenishing the old flint-knives then in vogue. These were found several feet below the level of the street in a substratum of black sand, just above the river wash of sand previously deposited. Just above the level where the flints were found the excavators came across the remains of an ancient sidewalk almost completely decayed.

The Naples correspondent of The London Telegraph says of Buffalo Bill's show at that place: "It is a quite new one for the Neapolitans, few of whom have read Fennimore Cooper and know what to make of the strange looking and pointed Redskins, and the general impression was that these brave warriors, with their long silky hair, paint and feathers and beards, were women. But the riding and shooting were highly appreciated and the seats of the arena are crowded daily."

Local News Notes.

The district court will again open a week from next Monday.

Edi for Fuller, of Little Falls, was in the city on Wednesday.

Orders for ice can be left at Larson & Walter's wood and coal office.

Fred. Lamson has been appointed to a position on the police force.

N. A. Mott and J. E. Campbell, of Ada, Minn., were in the city on Saturday evening.

Chas. Seales returned to his claim near Missoula, Montana, on Wednesday evening.

Mrs. F. W. Wieland is visiting her mother, Mrs. E. W. Kaley, at Hamline, this week.

E. J. Shields has removed to Ferguson's, his run having been transferred to the branch.

J. E. Johnson can now truthfully corroborate the saying that "the life of a police is not a happy one."

A. Olson has so far recovered from his recent illness as to be about the city and attending to his business.

Mrs. H. I. Cohen and Mrs. C. M. Patek gave a "coffee" to their lady friends on Wednesday afternoon.

John Hughes was quite severely kicked by a horse the first of the week and was confined to his bed for some days.

The Brotherhood of Machinery Moulders will give their first annual ball at the Armory, on Tuesday evening, April 29th.

Clark Perry left for his home in Canada the first of the week on account of a telegram announcing the dangerous illness of his father.

We forgot to mention the fact last week that Wm. Shontell left us a very nice sample of the honey which he found in the log some days ago.

The department was called out on Wednesday to extinguish a blaze in Dave Snell's house on Maple street east. The damage was slight.

C. D. Johnson had the good fortune to hold the lucky ticket in a drawing for a gold watch, the drawing being given by an Ohio cough drop concern.

The morning subject at the First Congregational church on Sunday will be "The United States for God." Evening subject, "Christianity and the Labor Problem."

Ducks have already appeared in quite numerous quantities in the ponds which are now open but as the law forbids spring shooting they are not being molested in this season.

The stationary engines at the N. P. shops in this city will shortly be run with crude oil for fuel instead of coal and a large tank is being built near the engine room for the purpose of holding the oil. The tank will hold between 500 and 700 barrels.

Hose Co. No. 2 elected the following officers on Tuesday evening: Foreman, R. Caughey; first assistant, Chas. Baker; second assistant, John Lingnan; secretary, R. L. Weeks; treasurer, N. McFadden.

The parties who picked up the package addressed to "O. U. Sucker," on Eighth street near the freight house on Tuesday, were probably not pleased at its contents—a dead rat is a repulsive thing at least.

First M. E. church, quarterly meeting, Rev. C. H. Treglawny, pastor, will preach. Morning subject, "Joy," to be followed with Sacraments of the Lord's Supper. Evening subject, "Delusions that are Dispelled." Epworth League on Tuesday evening, Junior Epworth League Saturday afternoon at 3 p. m. The public are cordially invited.

The military ball on Monday evening was not as much a success in point of attendance as could have been desired. The numerous dances which are advertised, the fire-meeting, the rain, and the play at the opera house, all tended to detract from the occasion. The drill by Co. K and the Third Regiment Band was much more of an exhibition than was expected, and the members can feel proud of their proficiency in the tactics. Those who attended were well repaid for their visit.

School opens Monday with Miss Graham, of Brainerd, as teacher.

The home of Mr. and Mrs. Peter Behlmer was gladdened on Wednesday by the arrival of a fine boy baby.

John Herman left for Cromwell last week to accept a position as section foreman.

Several new settlers have made their appearance at Bay Lake recently.

We hope to see some of our young men brighten up a little when the new school year comes.

Deerwood Notes.

Lawyer Hubbard, of St. Paul, visited Brainerd on Tuesday.

Mrs. E. A. Frizzell is in Eau Claire, Wis., where she was called by the sudden death of her sister.

G. S. Fernald, tax commissioner of the Northern Pacific system, is in the city this morning on his way to the coast.

Sheriff Spalding, accompanied Mrs. Goldstrand, of Southeast Brainerd, to the insane asylum at St. Peter on Thursday.

Geo. Watts has decided to remain in Brainerd, his intended removal to Tacoma having been abandoned for the present.

The annual election of officers of the Brainerd Fire Department on Monday evening resulted as follows: Chief, D. McIntosh; First Assistant, Ed. Brehney; Second Assistant, Chas. C. Williams; Secretary, C. D. Johnson; Treasurer, N. McFadden.

"Paul Kanvar" drew out the opera and enthusiastic audience at a large house last night and those in attendance are loud in their praise of the troupe. Joseph Haworth and Miss Lizzie Rechelle, as the leading characters, are certainly fine actors, while the support was not lacking in any particular. It was by all odds the best entertainment that has visited Brainerd in many months.

The B. of L. F. ball last evening at the Armory was as every one expected, the event of the season. The spacious rink was crowded and every available inch of dancing space was occupied while the galleries groined with the weight of spectators. The room was finely decorated with evergreens and emblems of the order and many compliments were paid to the artistic taste displayed. There was not a jar of any kind, the music was excellent, the calling was distinct, and everyone seemed bent on having a good time. The attendance was probably the largest at any party in the history of the city.

The appropriation of \$1,000 by the city council, to help entertain the state firemen at their annual convention which meets in this city in June, should, and as far as we know, does meet with the hearty approval of the citizens. The Brainerd department is one of the many unpaid fire organizations in the state, and it has the reputation of being one of the most efficient—probably as much so as though the members were on a monthly pay roll. Taking these things into consideration there should be some encouragement to the members who endanger their lives and run their clothes to save public property from the fire, and the members of the council took those things into consideration when they made the appropriation.

Mrs. C. F. Miller returned on Thursday from Hawley where she was called some days ago on account of illness in the family of her son, Mr. B. E. Kroll, and two of the children died during the time she was there. The Hawley News says:

Henry Kroll, aged 10 years, died yesterday, after several weeks' sickness. He was the eldest son of Mr. B. E. Kroll, proprietor of the City Flour mill. Scarcely two weeks have elapsed since the death of Mr. Kroll's 5-year-old daughter, Emma, and the family are greatly afflicted, as well as all of the neighbors who were acquainted with this promising little boy who has passed away. But a few days ago he seemed to be getting better, but was suddenly taken worse when Dr. Carson, the attending physician, was again called in, but all efforts to save his life were of no avail. The grief-stricken family have the sympathy of the entire community.

The examination of J. E. Johnson, a police officer, on charge of having robbed Ami Gould of \$15, took place on Tuesday morning before Judge Fleming. It seems Mr. Gould came to town from his ranch and went on a spree and on Saturday night he was run into the lock-up by Mr. Johnson. As is usually the case the prisoner was searched by the officer and Mr. Gould claims that that was the time when the policeman robbed him. Two or three of the inmates of the city jail testified that Mr. Gould claimed to them he had been robbed shortly after Mr. Johnson left, and also that they heard something grumble that sounded like money when the plaintiff was being searched. After the evidence was in and the case summoned up by J. N. True for the defense and County Attorney Lum for the prosecution, the Judge stated that Mr. Johnson would be held to the grand jury in the sum of \$200 on his own bond. Later on the Mayor laid Johnson off from the police force.

The Regular School.

Interest in trap shooting in Brainerd does not seem to have abated any since the club suspended operations last fall for the winter. On Tuesday there were nineteen members of the club present at the club grounds to participate in the regular weekly shoot, the score standing as follows:

A Rare Treat.

Some time during the coming month our citizens will be given an opportunity to enjoy a rare treat in the presentation at Sleeper opera house of Gilbert and Sullivan's favorite operatic gem, H. M. S. Pinafore.

The play will be produced entirely by home talent under the auspices of the Second Congregational church, of East Brainerd. That the production of this favorite opera will be a rare success is assured by the strength of the cast, the best musical talent of the city being engaged. The heroine of the play, Josephine, will be impersonated by Miss Aggie Mulrine, while the hero, Ralph Rackstraw, will be taken by Mr. Frank Bellhouse. S. F. Alderman and H. C. Craig, will impersonate the Captain and Sir Joseph Porter respectively, while the rest of the characters have been chosen with equally as much care. Great pains will be taken to properly set the play, and we have no doubt of its success in every particular.

An East Brainerd Event.

The Sabbath school teachers and Mr. T. H. B. Hussey's Bible class of the local Congregational church held a social at the residence of Mr. and Mrs. C. C. Phillips in East Brainerd last Monday evening. Nearly 100 guests were present, several from this side, among whom were Revs. Frizzell, Miller and Treglawny, Mr. and Mrs. A. E. Losey, Miss Robinson, Mr. and Mrs. Knutson, Mr. Alex. McNaughton and others. Mr. Hussey managed the affair, and had provided at his own expense two beautiful presents for the guests, first, a gold pen and holder to the one who brought in the most scholars to the Sunday school Bible class during the last quarter, and second, a gold necktie to the best student handed in on this occasion. The former prize was awarded to Mrs. Sidney Hockridge, and the latter to Mrs. Gardie of East Brainerd. The songs were fine and the decorations of the house and the table were beautiful. A sumptuous supper was served, and the sentiments read at the table were fine. The crowning part of the exercises was the presentation of an elegant gold headed cane to Mr. Hussey by his class and the Sabbath school teachers.

The Wadena Pioneer is informed that the trouble which has been reported to exist on the Northern Pacific road and which is being adjusted at St. Paul, extends to the Sanitarium in this city, and that the grievances claimed are "gross negligence on the part of the chief surgeon and secretary of the institution."
